FICCI's Annual Healthcare Conference

About FICCI

- ⇒ FICCI is the largest and oldest apex business organisation in India. Its history is closely interwoven with India's struggle for independence, its industrialization, and its emergence as one of the most rapidly growing global economies
- ⇒ A non-government, not-for-profit organisation, FICCI is the voice of India's business and industry
- ⇒ From influencing policy to encouraging debate, engaging with policy makers and civil society, FICCI articulates the views and concerns of industry
- ⇒ It serves its members from the Indian private and public corporate sectors and multinational companies, drawing its strength from diverse regional chambers of commerce and industry across states, reaching out to over 2,50,000 companies
- ⇒ FICCI provides a platform for networking and building consensus within and across sectors
- ⇒ The first port of call for Indian industry, policy makers and the international business community

FICCI HEAL: Genesis & Objective

The flagship healthcare conference, FICCI HEAL, is organized every year **since 2007**, supported by Ministry of Health & Family Welfare and in the recent years by NITI Aayog and NHA, Government of India. It has matured as a **landmark interface between the industry and the government** to share knowledge and best practices and to deliberate on all pervading issues related to healthcare in the country.

The conference is attended by over 350 delegates, brings together all stakeholders of health sector encompassing healthcare providers, government officials, policy makers, representatives of embassies and multilateral agencies, public health professionals, medical technology and pharmaceutical companies, healthcare education providers, health insurance companies, entrepreneurs etc.

OBJECTIVES

- Suggest policy framework for achieving global standards of care
- To converge all stakeholders on one platform and arriving at consensual solutions towards affordable, accessible, quality as well as sustainable healthcare
- Facilitate sharing of knowledge and best practices
- Create awareness and interface with innovative healthcare practices, patient-centricity, technological advancements and operational efficiencies
- Provide a unique platform to network and collaborate

FICCI HEAL: Special Features

Healthcare METAmorphosis

Prof SP Singh Baghel, Hon'ble Minister of State for Health & Family Welfare, Government of India inaugurated FICCI HEAL 2023 on October 26th, and emphasized that the government is working towards providing last mile coverage to provide health services to remote areas in the country. He further added that there is a need to address the healthcare concerns of Indians who are not able to access quality healthcare. He also He stressed on the need to promote organ donation and blood donation through massive campaign and urged the industry to come forward to play a lead role in promoting these across the country.

FICCI-KPMG Knowledge Paper on 'New Age Healthcare Delivery Models in India- 20 plus models to redefine healthcare landscape', was released during the event. The report highlights the key factors and systemic issues that are shaping the trends in the industry and resulting in the emergence of new age delivery models.

18th edition of FICCI HEAL

Swasth Bharat, Viksit Bharat

November 5-6 at India Habitat Centre, New Delhi

FICCI, India's apex industry chamber, has been organising its annual healthcare conference, FICCI HEAL since 2007 supported by Ministry of Health & Family Welfare and recently by NITI Aayog and NHA, Government of India. Over the years, this has evolved as a landmark event and a credible platform for health industry stakeholders for sharing knowledge and best practices.

The theme 'Swasth Bharat, Viksit Bharat' encapsulates India's vision of a healthy and developed nation. It signifies the intertwining goals of health and progress, recognizing that a robust healthcare system is integral to overall development. Through initiatives like Ayushman Bharat and National Health Mission, India strives to ensure universal healthcare access while fostering innovation and infrastructure development. By promoting health and wellness alongside economic growth, "Swasth Bharat, Viksit Bharat", India envisions a future where every citizen has the opportunity to thrive, contributing to a prosperous, vibrant, and resilient nation on the global stage.

FICCI HEAL 2024 is an endeavor to converge all stakeholders- national and international and provide a forum for sharing of learnings and experiences as well as facilitate discussions on strategies and opportunities for the future transformation of healthcare. This initiative endeavors to bring together diverse voices to shape the healthcare landscape, fostering collaboration and innovation for a healthier and developed India.
